ORDER

Having reviewed the foregoing, IT IS ORDERED that the *in camera* responses of Pamela Day shall be forwarded to counsel for the plaintiff.

United States District Judge

LR 26.3 CERTIFICATION OF CONFERENCE TO RESOLVE OBJECTIONS

On November 5, 2002, the undersigned wrote to Ms. Pamela Day asking her to confirm whether she had made the *in camera* submission to the Court, by November 1, 2002 as ordered. No response to this letter has been received.

The undersigned certifies that on November 14, 2002, he called Mr. Charles Day at approximately 8:30 AM in order to discuss and resolve the plaintiff's wish to secure a copy of Ms. Pamela Day's *in camera* responses to the interrogatories submitted to her on August 1, 2002. The number called (718 969 4858) is believed to be a residence. This number rang as a fax machine. The undersigned then composed a letter asking for a return call and indicating the nature of the requested conference. This letter was faxed to the above cited number and also mailed to Mr. Day via first class mail to: Mr. Charles Day, Esq., 80-100 Tryon Pl., Jamaica, NY 11432.

The undersigned then called a number in Manhattan (212 274 8408), which is believed to be Mr. Day's business phone or message service. The undersigned was informed that neither Pamela Day nor Charles Day were then present but that this is the law office of both of them. A return telephone number and a request to be called was left.

A handwritten signature in black ink, appearing to read 'R. B. Cook', is written over a horizontal line.

Richard B. Cook
